Looks good.

After you revise the briefing paper could you pass on for a quick look by everyone prior to sending on since we have not focused on it for several months.

Thanks

**Subject:** mtg with HQ next week

Hi all,

As I think you all know, we got an NOI regarding action on the OR list as a whole. We will be trying to get out for public comment by Dec 18.

Deliberative Process / Ex. 5

## Deliberative Process / Ex. 5

-a revised version of the last briefing paper we used with Dan, updating the info about the data points; I can do this tomorrow

-Cheryl's assessment of the NOAA data. Cheryl—is it ok to send the one we used with NOAA? I'll explain to them that the errors you pointed out were confirmed.

-Cheryl's slides of her graphs. Cheryl—should I send just the ones you sent today, or also the ones that were in the presentation the other day? Do today's update those, or is there distinct info in both?

-I'll send some of the slides from our presentation to Grace and Brian that detail the difficulties and precedent setting ramifications of our decision.

Is there anything else you can think of that they should have? Thanks.
